Sneak Peak

Dress Rehearsal

Since we will not be holding a CEA Showcase before the first competition this year, we still want to give you a front row view of all the eXcitement.

We will be holding a full dress rehearsal at each team's last practice before the competition. We will be inviting family and friends in at the end of practice to view the routine and give the teams a big Legacy good luck before the first competition.

Uniforms

Are you competition ready?

Uniforms are in! Anyone that ordered a uniform they have been sent to be rhinestoned. You will start receiving them back over the next week or two. Please follow all care instruction properly.

Anyone who has a uniform and it has not been rhinestoned, please bring in your uniform to the front desk asap!

As for the briefs we are going to be keeping the boy cut briefs that were sent to us with our uniform order. We will have an order form at the front desk for anyone that did not purchase briefs this year to order the boy cut briefs if you would like. This is not mandatory only an option.

Hair and Make-up

The Legacy look

As most of you already know we are changing our look this year. The girls will be wearing their hair curly half up, half down and a new style on their eyes!

All the team moms will be given a lesson on how to do the hair and make-up and how we want the girls to look this year.

For you to learn the look we will be posting pictures with step by step instructions around the gym for you to view and practice. If you have any questions on the look please see your team mom and they will be able to help you.

Reminder: our expectations at competition are high, we want all of our athletes to look their very best. Be sure when we are at competition that you are competition ready when you report to your team mom. Be ready with full hair and make-up so that if there are any changes or any help you may need your team mom can help you before the coaches arrive to take the athletes to warm ups.
